Michael Zweigle

This is a venerable tradition and we ask you to keep him in your prayers.

From Fr. Golas,

As I mentioned last week in the bulletin, the 12 ½ years of my pastoral ministry seemed to have two periods of direction. The first concerned the new church. After the parish entered the new church, it seemed that several new ministries developed and the committees and groups expanded their activities. The Legion of Mary began in September 2004 and the Small Church Communities welcomed parishioners to the groups on October 2006. In addition, it seemed our existing groups conducted membership drives to welcome new members. Our committees also are organized around fun, building and grounds, care for the new church and for our cemetery. I am grateful for the manifold ways the parish reaches out to others. We also hosted Ecumenical prayer services and recently joined St. Patrick Church, Collinsville in supporting a school in Haiti. This is a summary and not exhaustive of the vitality of the parish. I hope and pray that God's spirit will continue to enliven St. Mary Parish in the journey of faith.

Holy Quips

A man died and went to heaven. He was met at the Pearly Gates by St. Peter who led him down the golden streets. They passed mansion after beautiful mansion until they came to the end of the street where they stopped in front of a shack. The man asked St. Peter why he got a shack when there were so many mansions he could live in. St. Peter replied. "We did the best we could with the money you sent us."
