Religious Education News

Ehh,
What's Up,
Doc?

I had hoped by now that I would have all the instructors, facilitators, hall monitors and presenters needed for our religious education programs (all Religious Education grade levels, **Think First & Stay Safe** child safety program) starting in the fall. Without your volunteer efforts these programs might struggle to get up and running. Time is of the essence as the Archdiocese of Hartford has specific requirements that all volunteers must complete prior to working directly with children. So if you or someone you know can help out, contact Deacon Tom at (860-675-8522) or st.mary.re@sbcglobal.net.

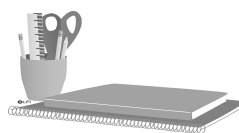

New members are needed for our **altar server team**. Candidates must be in the fourth grade at a minimum and be available to serve any weekend Mass plus special occasions (First Communion/Confirmation). If we can count on you to be here, are willing to attend a training session and work alongside more experienced servers to gain experience, call (860-675-8522) or e-mail (st.mary.re@sbcglobal.net) the Religious Education Office to get started.

Religious Education Registration

"Time is Running Out" for you to register your children in our Religious Education Program for the 2013/2014 year. Annual registration is required for all students. Registrations received after August 1st will be processed and class assignments made on a space available basis only. Registration forms are located in the entrances to the Gathering Space. If you have any questions please feel free to contact the Religious Education Office at (860-675-8522) or st.mary.re@sbcglobal.net.

A school supply collection

of new items will be held the weekend of August 3 and 4 for those in need in the town of Farmington. Suggested items are: pocket folders, notebooks and binders, but any items will do (backpacks, #2 pencils, pens, crayons, glue sticks, rulers, loose-leaf filler paper, postit notes, etc.) If you have any questions, please contact Alice Crozier at 8606734282. Thank you for your support.

Pots for Tots -- New Haiti Ministry Team Project

Fr. Bichara, the pastor of St. Therese in Haiti, has asked for our help in providing adequate toilet facilities for the children and staff of St. Therese School. At the present time, they only have two toilets with broken doors and four urinals to service 300-350 children, teachers and staff. Please check the Haiti Ministry poster in the gathering space for project details and photos. The cost is estimated at \$6000 total to provide 3 enclosed toilets with doors and new urinals. We have raised \$3000 so far and are hoping to reach our total this month in order for the work to be done by the start of the next school session in September. Members of the Haiti ministry will be in the gathering space after all the masses on July 20th and for this project. Any amount you can give will be helpful and very much appreciated! Checks can be made out to St. Patrick's Haiti ministry. If you have any questions please contact Mary Hagadorn at 774-249-4508.

Reduce Garden Pests without resorting to Toxic Pesticides

Build healthy garden soil containing enough organic matter and the right nutrients to grow healthy plants that can resist attack of disease and insects. Nontoxic pesticides include horticultural soaps and oils; diatomaceous earth is a super bug weapon, safe for humans, animals and the watershed. Lady bugs are garden predators that feed on most pernicious pests. Know your insects, some may not be that harmful to your plants, so there's little reason for wholesale slaughter. A Family Perspective

by Bud Ozar

Cell phones, emails, faxes, texts and voice mails can reduce our lives to a continual series of interrupted moments. Listen to Jesus in today's gospel: "You are anxious about many things" robbing us of the precious time needed to BE with others. Quality time is QUANTITY time.
