Whale of a Tale

A little girl was talking to her teacher about whales. The teacher said it was physically impossible for a whale to swallow a human because even though it was a very large mammal its throat was very small. The girl pointed out that Jonah was swallowed by a whale. Irritated, the teacher reiterated that a whale could not swallow a human; it was physically impossible. The little girl said, "When I get to heaven, I will ask Jonah." The teacher asked, "Well, what if Jonah didn't go to heaven?" The little girl replied, "Then you ask him."

A Family Perspective

by Bud Ozar

As the Father "sent his son into the world" so parents send their children into the world "so that the world might be saved." This is the missionary role of the Christian family. Your family is a school where your children develop convictions which enable them to make a difference in the world.
