AS WE CELEBRATE OUR NATION'S INDEPENDENCE.

Let us consider to free ourselves of our dependence on plastic products, as much as possible. Plastics in US are manufactured from liquid petro gases, a non-renewable resource, and plastic recycling becomes a troublesome source of air pollution. Let us conserve energy, reuse and not abuse God's gift, the environment, for in the words of our Holy Father Francis, "God forgives, we forgive, but nature never forgives".- St. Mary's Environmental Awareness Team (S.E.A) 860-673-0756

Prayer for Independence Day

Dear God, as we celebrate today with fireworks and festivals, help us never to forget the reason for our joy. Help us remember that our rights to life, liberty and the pursuit of happiness were signed into our heritage with the willing blood of American patriots. Most of all, help us remember that the rights of all people are more than words on a document, and that all people have rights because you have given us the dignity of human life. Grant freedom to all, and give us the strength to protect the rights of others. Amen

The rectory and religious education offices will be closed on Friday, July 4 in observance of Independence Day.
