POPE FRANCIS' ENCYCLICAL. "We were created with a vocation to work. The goal should not be that technological progress increasingly replace human work, for this would be detrimental to humanity"(128)Helping the poor financially must always be a provisional solution in the face of pressing needs. The broader objective should always be to allow them a dignified life through work. Yet the orientation of the economy has favored a kind of technological progress in which the costs of production are reduced by laying off workers and replacing them with machines. This is yet another way in which we can end up working against ourselves".(128) YOUR THOUGHTS? Come share on 10/27 1-2:30 in Gathering Space of our Parish. For info call Clara 860-597-2754.

St. Mary parish family welcomes through the Sacrament of baptism.

We extend our heartfelt appreciation for the very generous donation of \$6,046.17 The House of Bread received as a result of your 2nd Annual Golf Fund Raiser. This gift will truly assist us in our mission of reaching out to the many men, women and children who turn to the House of Bread for help. We are also grateful for the Gift cards \$1,000 from Stop & Shop and \$75.00 Big Y. These cards are very helpful to families and to our soup kitchen. We are especially grateful to George Crowley and committee for the time and energy committed to a successful night.
