A **great big thanks** to all parishioners who supported or visited St. Mary's Fair Trade. Your purchases of beautiful and unique items have enabled third world farmers or handicraft persons in their struggle to rise out of poverty, by having the means for the basics, food, a roof over their heads, send their children to school and take care of their medical needs. Thanks again. We hope to be back next Fall.

Defending Our Religious Liberty

Now that the elections are over, we must keep in mind the gift of religious freedom and our duty to defend and exercise it as faithful citizens. If you haven't done so already, please voice your opposition to the federal health care mandate by calling U.S. Secretary of Health and Human Services Sylvia Mathews Burwell at 202-205-5445, and your newly elected representatives. Let them know that the mandate is in violation of our First Amendment right to religious freedom.
