St. Paul's Catholic High School will again welcome international students from China through Boston Global Education for the 2017-2018 year. **Host Families are needed for 3 or 4 girls at the end of August.** Consider hosting a teen - it's rewarding & fun for everyone! The only requirement is a private furnished bedroom. Your monthly stipend would be \$1,100 to cover costs of food and increased utilities; students come with their own spending money. The cost of the St. Paul's bus is already paid (ideal for Burlington or Farmington residents or those commuting to Bristol anyway.) Please contact if you want to learn about this experience and responsibilities. Joanne Fishman, Member of St. Mary Star of the Sea, Unionville

The Office for Catholic Social Justice Ministry shares this quote on Church Teaching. For more information visit: www.catholicsocialjustice.org -**Catholic Teaching on the Life and Dignity of the Human Person:** Every human person is created in the image and likeness of God. Therefore, each person's life and dignity must be respected, whether that person is an innocent unborn child in a mother's womb, whether that person worked in the World Trade Center or a market in Baghdad, or even whether that person is a convicted criminal on death row. We believe that every human life is sacred from conception to natural death, that people are more important than things, and that the measure of every institution is whether it protects and respects the life and dignity of the human person. —USCCB Administrative Committee, *Faithful Citizenship: A Catholic Call to Political Responsibility*, p. 13

Stop, Look, and Listen to this!
