Aug 28 – Memorial of Saint Augustine, Bishop and Doctor of the Church –

Saint Augustine of Hippo was born in Africa and is the son of St. Monica. His early life was filled with sins of impurity and he followed pagan and heretical beliefs. Through prayers of his mother and St. Ambrose, Augustine came to believe in Christianity and became one of the greatest saints. After his baptism, St. Augustine became a priest, a bishop, a famous writer, founder of a religious order. His major work was "The Confessions". He is the patron of Brewers because of his conversion from a former life of loose living: partied, entertainment, worldly ambitions. But by his complete turnaround and conversion, St. Augustine is an inspiration to many who struggle with a vice or bad habit.
